The Landmarks Commission is an excellent, land use decision making body that supports the preservation of and protects Bend's historic resources. The Commission is working towards changing the perception of the Landmarks Review Process of being a hindrance to property owners of historic resources to being that of an asset, an essential resource, and a supporter (even financially). The Commission's main goal for 2015 is to utilize a good portion of the State grant funds to encourage historic preservation projects throughout Bend by offsetting some of the costs associated with through a matching grant program.
