Committee Goals for 2015

Please describe briefly here. Add lines or attach additional sheets if supplemental information is needed. Refer to the Committee's charge statement or strategic plan.

1. Review TSAC Charter
2. Create a Neighborhood Traffic Safety Program/Reprioritize the livability of local streets
3. Continue to implement the Biking and Walking Safety Program
4. Create road "Diets", lane reduction safety projects
5. Improve Education and Outreach

Of the Committee Goals listed above, which do you feel require Council involvement (i.e. Formal Action such as an update to City Code or Policy direction in the form of a resolution, direction needed to help shape the execution of the goal, or staffing or other resources needed from Council to accomplish goal.

Please describe briefly here. Add lines or attach additional sheets if supplemental information is needed. Refer to your Committee's Strategic Plan when possible.

- 1.The Neighborhood Traffic Safety program will need two full time employees (FTE) : one traffic engineer and one engineering technician.
2. Continuing the bike and walking safety projects and the lane reduction demonstration projects will require a project manager in the Engineering Infrastructure Planning Department
- 3.TSAC needs a 0.5 FTE administrative assistance

Please share what the committee does well and also what you feel it could improve upon in 2015.

What the committee does well:

The committee is a devoted and energetic group that wants to do more about traffic safety in the City.

The committee continues to stay active on City safety projects.
The committee operates at a policy level about traffic safety programs.

What the committee could improve upon in 2015:

The committee needs to be better managed; the committee could use part time administrative help.

The committee wants to restore the neighborhood or local street safety program.

The program was put on hold during the economic recession.
