

Olney Pedestrian & Bicycle Improvements

Changes are coming to Olney Avenue to make it a safer road to walk, bike, roll and drive. Improvements are shown in the graphic on the right. Also included are safety improvements at the intersections of Wall and Second streets.

To increase efficiency, save money and reduce construction impacts, water, sewer and stormwater improvements will be completed during the Olney transportation construction.

WORKING ABOVE AND BELOW GROUND

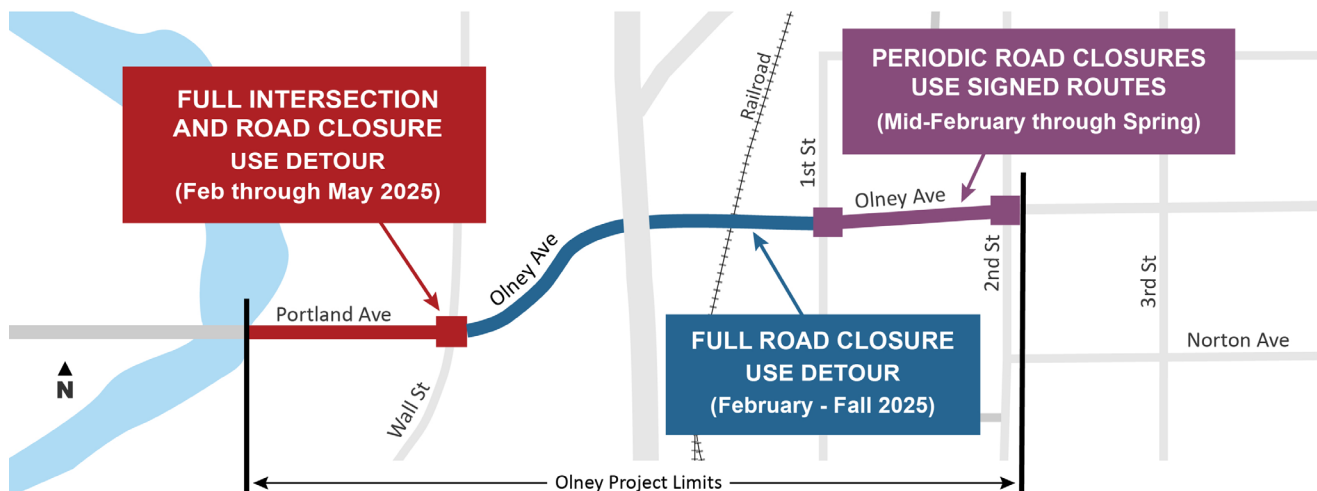

Construction Begins Early 2025

A community meeting will be scheduled prior to construction. Visit the project website at bendoregon.gov/olneypedbike to learn more about this project, link to others in the area impacting Portland Avenue, and sign up to receive project email updates.
