TRANSFORMING LIVES TOGETHER THROUGH SHELTER, HELP, AND HOPE

EMPOWERMENT

COLLABORATION

COMPASSION

INTEGRITY

ACCOUNTABILITY

EQUITY

# CASE MANAGEMENT

Case Managers focus on guiding individuals to achieve greater self-sufficiency, with a focus on “Housing Readiness.”

This process helps individuals obtain and prepare the necessary documentation and information to apply for housing in a competitive market. Self-sufficiency looks different for each individual, but encompasses common themes such as housing, safety, income, physical/mental/emotional health, and overall well-being.

# ASSESS.

# PLAN.

# ACT.

- Individualized Action Plans: housing, employment, budgeting, mental health, physical health, emotional health, legal issues, treatment, housing readiness, and recovery
- What barriers exist?
- Status of Foundation- Food Stamps, OHP, Income, ID, Birth Certificate
- Forward progress on Housing Readiness
